

# Choir News

March 2008

## Notes from the Director

The season of Lent continues this month. It is hard to believe that Easter is already approaching (March 23)! Both choirs will sing at the **8:45 and 11:00** services on Easter Sunday. We will meet in the Choir Room at **8:15**.

We will continue working on service music and the musical, *Oh, Jonah!* this month. Students who have joined us for the musical are also encouraged to sing with each choir on Sunday mornings. It is great to see the excitement level of the students as we work each week!

For the musical, we are still looking for **volunteers** to assist with set design, costumes, choreography and other “behind the scenes” work. Please let me know if you, or someone you know, might be interested.

Be sure to note the **rehearsal times** this month. The Celebration Singers will continue to rehearse from **6:15-7:00** and Spirit Choir from **7:45-8:30**. On **Wednesday, March 19** we will change to combined rehearsals from **6:30-8:00 p.m.** This rehearsal time will continue through the end of the school year. These combined rehearsals allow for a longer rehearsal time as we work on the musical.

Once again, feel free to contact me any time with questions or concerns. Thanks!

## Daylight Savings Time

Daylight savings time starts on **Sunday, March 9**. Please remember to set your clocks an hour ahead.

## Summer Music Camp – June 9-12, 2008

You are invited to join us for an exciting week of music and games. Led by Cory Bock, Director of Children’s Music, the week will focus on the Lutheran worship service. Students will learn the various parts of a worship service, sing new hymns and songs from around the world, play a variety of instruments and learn basics of music through games and activities. The week will conclude on Sunday, June 15 with the students sharing some of what they learned at the worship service.

The camp is an afternoon program during the week of Vacation Bible School and is open to students who have completed Kindergarten through grade 5.

Watch for more information coming soon!
