From the Pastors' Desks

Dear St. Michael's Family,

This month, all of the young adults serving in the ELCA's Young Adults in Global Mission Program were sent home as part of the ELCA's COVID-19 mitigation procedure. Megan Hunter Mong, a young adult missionary serving in the West Bank wrote, "Sometimes accompaniment is staying away to keep people safe and healthy." We are living into that reality here at St. Michael's as we are living out our call to be church in this unique and uncertain time.

As you are aware, over recent weeks we have been working to stay up to date on recommendations by the World Health Organization (WHO), the Center for Disease Control (CDC), the ELCA churchwide and synodical offices, and local and state government officials and health professionals during the COVID-19 pandemic. Since our decision on March 13th to suspend in-person gatherings including worship, we've received additional guidelines from the CDC, Federal Government, and state officials. Because of their guidelines, we will continue to suspend in-person gatherings until at least May 11th. While we were hoping to resume sooner, we know that it is prudent to follow the best course of action being proposed at this time.

Taking these steps to ensure the health of our community is necessary to slow the spread of COVID-19, but brings with it a great sense of loss and heart-break. Postponing our traditional Holy Week worship services, including Easter worship, is particularly painful. We also know how devastating it is to suspend beloved church programs and activities such as Women's Circles, Sunday School, and the Easter breakfast. None of these decisions are made lightly, and were done with much prayer and great hope in God's ability to work through this time of fear and loss.

Currently, most of our building partners' activities have also been suspended, and they will continue to make decisions about meetings and operations. Our custodial staff will continue to ensure that the building is sanitized and clean for when activities resume.

Though our building is closed, we will continue to gather in creative and unique ways. Perhaps you've already engaged in our online worship experiences and faith formation resources for families. Hopefully you've stayed connected through calling friends and fellow committee members, or checked up on our social media platforms. You can read more

about new and creative Holy Week opportunities in this newsletter as well.

In terms of our staff, we are encouraging pastoral, program, music, and office staff to do as much of their jobs as possible remotely. We appreciate your flexibility and adaptability as this means changes to office hours and staff availability.

Some important FAQs (Frequently Asked Questions):

Worship: We will continue to send out a link for our online worship experience and post links on our website and social media pages. Though these times call us to be physically distant, we will remain spiritually close through regular worship and devotional opportunities.

Sunday School/Faith Formation: Our hope is to resume Sunday School, Confirmation, and Religion in Life on Sunday May 17th. In the meantime, Jon Bates, our director of Children, Youth, & Family Ministries is working with the other CYF staff to create educational opportunities and connections online.

Pastoral care: We have been advised to do the majority of pastoral care via phone or an alternative technology. For pastoral care or emergencies, please call the church line (651-631-1510) or email (brad@stmichaelselca.com or ali@stmichaelselca.com)

Funerals/Memorials, Baptisms, other life events: Please contact Pastor Brad or Pastor Ali if you are concerned about a scheduled wedding, baptism, etc.

St. Michael's meetings: We recognize that this time of uncertainty brings high levels of

anxiety, while for others brings a desire for normalcy. Please check in with your committee and/or the staff liaison to learn ways we can continue to work on important projects or pause non-essential work for an interim period.

Office Hours: Because our staff members will be working remotely when possible, we ask that you call or email to make an appointment prior to dropping by the office. If you are unable to reach a staff person over the phone, please leave a voicemail and we will return it as soon as possible.

Offering/Financial support: One of the implications of not having worship on Sunday mornings is that our regular offering will not be collected. We encourage all who are able to support the mission and ministry of the church through on-line giving or mailing offering to the church to do so. <https://www.stmichaelselca.com/giving-methods.html> Your generosity allows us to continue to care for those in need, support our staff, and ensure we are able to resume all programs quickly and efficiently. Knowing that our income will be impacted, we encourage those with extra resources to consider a special gift.

Volunteering: A number of parishioners are interested in volunteering. As of the publication of this letter, we are continuing our Panera Bread Ministry and Loaves and Fishes Ministries. We also have a group of individuals willing to do grocery shopping for others, to write letters or send notes, to call and check in on people who are feeling the effects of being isolated. If you are interested in volunteering in these ways, please let Pastor Ali or Pastor Brad know. If you know of someone who could benefit from these resources please contact us.

Continued on page 3

We made plans to celebrate Easter on April 12th this year. And while that is sadly not looking like a possibility, we are an Easter people. More than just a day on the calendar, we know that life is stronger than death and we seek to proclaim that witness every day in how we live. When we are able to gather again, we know that worship will be a glorious celebration of God's resurrection promise.

As we move through these changes and the world facing this global pandemic, we pray for health and healing in the days ahead, for wise leaders and responsible citizens, and for the move from fear to deeper commitment in caring for each other. We cling to the one who bears hope and life to a world in need; even in the darkest and most challenging moments, God is found and proclaims a word of grace and new life.

Blessings to each of you!
Pastor Brad and Pastor Ali

Faith in Daily Life—Wednesdays, 12:00—1:00 p.m.

Faith in Daily Life is an opportunity to dive in and converse about faith, life, scripture, and current events—using a book as a springboard. There are three groups; each meets on Wednesday over lunch. This month we will be meeting “virtually” using an online platform. If you're interested in participating in one of the Wednesday conversations, let Pastor Brad know.

From January through May we will be reading *The Great Spiritual Migration: How the World's Largest Religion is Seeking a Better Way to be Christian* by Brian McLaren.

Wednesday, April 1

Wednesday, April 8

Wednesday, April 1

This month, we will discuss Part III: The Missional Migration from *The Great Migration*.

Men's Bible & Brew — Tuesday, April 21 - 7:30 p.m.

Grab your favorite beverage, snack, and computer and relax in the comfort of your own home for Men's Bible & Brew this month. We will be meeting virtually via an online platform (more information will be emailed out closer to the date.) Look forward to this time together as we move through the changes in our lives and the world.

Working Together...

Struggling in helping your child with their math and science studies now that they are learning from home?

St. Michael's member, Barb Yarusso is offering free online tutoring through Zoom, FaceTime, Google Hangouts, etc. She is available for math up to calculus and any science topic other than biology.

To learn more, contact Pastor Ali or Pastor Brad.

We give thanks for the many ways our members are giving up themselves to serve our community during this time!

prayer at home

ST. MICHAEL'S LUTHERAN CHURCH

Perhaps you find it hard to pray at home? You aren't alone in this, but we hope this booklet will help.

Being stuck at home can be boring, frustrating, or lonely, even if there are other people in the house with you. And if you are unwell or worried you might become so, it can be frightening.

God is with us in these situations whether we are conscious of the Spirit's presence or not, and we remember the promise that nothing can separate us from God's love. (Romans 8:38-39)

We hope this booklet will give you some ideas about how to maintain and deepen your faith and your prayer life when you are unable to be at church.

-St. Michael's Lutheran Church Staff

Simple Forms of Prayer

- Lighting a candle before you pray can help you to focus and listen.

- Jesus taught us the Lord's Prayer so that we would always have words to say. Use it as a repetitive prayer to bring mindfulness to mundane tasks, or when you feel your anxiety rising.

- Try the St. Ignatius Examen. This is a very simple way to prayerfully review your day with God in five steps:
 1. Become aware of God's presence.
 2. Review the day and look for places of gratitude.
 3. Pay attention to your emotions as you review your day.
 4. Choose one feature of the day and pray from it.
 5. Look toward tomorrow.

- Lectio Divina: This method helps you to read the Bible in a prayerful way. Pick a short passage of Scripture (it can be anything you like, but if you're stuck, parables of Jesus or the shorter Psalms are a good choice). Read it through, slowly, two or three times. Notice what jumps out at you; perhaps underline it or journal about it. Then ask yourself, what might God be saying to me here? Reflect on this for a few minutes. Then, read the passage again. Now ask yourself, what do I want to say to God? - then say it. Lastly, sit quietly and know that God is with you.

Creative Ways of Praying

- You might find it helpful to listen to favorite hymns or worship songs, or other pieces of music that have a special meaning for you. Consider journaling while listening, or focusing on an image or something around you. Try focusing on a bird out the window, rain falling on the grass, or your children coloring, as you listen.
- Pictures can help prompt our prayers – go through photos of loved ones, maps, or pictures of our community or the wider world. As you scroll through social media, take intentional time to pause and pray for the people and events you encounter.
- Why not try doodling, painting, or crafting as you pray? If you are a knitter, consider knitting a prayer shawl or scarf for you or a friend.
- Go for a walk and try to clear your mind of your tasks. Focus on the feel of your body moving, the sounds that you notice around you, and the sights that encounter you. Allow your thoughts to go inward, and ask yourself: for what am I yearning for today? For what am I grateful for today?
- Call a friend from church or talk to a family member. Ask them what is on their heart that day, or share what is on yours.

Daily Prayers

Blessing for the start of the day

God be in my head, and in my understanding;
God be in my eyes, and in my looking;
God be in my mouth, and in my speaking;
God be in my heart, and in my thinking;
God be at mine end, and at my departing. Amen.

Table prayer

Make me mindful, O Lord, of the many ways you bless my life.
Give me a sense of gratitude for your creation and all it provides.
May this food be a reminder of how you nourish and sustain the world. Amen.

Prayer for evening

Adapted from the Book of Common Prayer

Keep watch, dear Lord with those who work
or watch or weep this night,
and give your angels charge over those who sleep.
Tend the sick, Lord Christ;
give rest to the weary,
bless the dying,
soothe the suffering,
accompany the afflicted,
shield joyous;
all for your love's sake.
Amen.

*Prayer before sleeping**Compline Collect from the Book of Common Prayer*

Be present, O merciful God,
and protect us through the silent hours of this night. Grant us
rest, so that we who are wearied by the changes and chances of
this fleeting world may wake refreshed and renewed. Amen.

*Bodily Benediction**Adapted from "Blessing of the Body" by Joyce Rupp*

Touch your Forehead: May your thoughts be kind and wise. May
you know yourself and the values that guide you in life.

Touch your Ears: May you hear the voice of God always calling
you beloved. May you hear the melodies of your own goodness
and treasure who you are.

Touch your Mouth: May you speak to others with love, may your
words proclaim the truth, and may all you say reflect the person
God made you to be.

Touch your Chest: As you take in air and let out air, may you
remember the breath of God in you. May you breathe in the
goodness around you and breathe out what needs to be let go.

Touch your Hands: May you use your hands to touch all life with
care and gratitude. May these hands be willing to receive care
and love from others.

Touch your Feet: May you know the support of the earth and your place in creation as you walk through life. May all the places your feet take you lead you in living out your goodness.

Touch your heart: Feel God's presence is with you, filling you with life.

CHILDREN, YOUTH, AND FAMILY MINISTRY NEWS

Ministries during COVID-19

I'm writing to you in mid-March and with the changing recommendations for refraining from in-person ministries, have some information on what was originally planned between now through the month of April. For any ministries beyond April, please watch out for more information by email.

Easter Sunday Breakfast Weekend (High School) - Postponed
Middle School Escape Room - Postponed (original date of April 16)

We will continue to adapt and be flexible throughout this time. Things will be okay. Our ministries will continue. They will simply look different. Please take advantage of the following resources from the convenience of your smart device or computer.

- Jon Bates

Faith At Home Resources - stmichaelselca.com/faithathome

On this page, you will find access to our online and at home ministries. You will find our worship videos, activities for children, youth, and families. Follow us on social media! If you search for "stmichaelselca" on most social media you will find us.

Texting Groups for Middle School and High School Students

To be in community, even virtually with the youth at St. Michael's, GroupMe is a free texting service for a closed texting group with two staff from St. Michael's. We invite our middle school and high school youth to join these texting groups to have community digitally, for staff to share updates & devotionals, and have another place to belong to each other in a time of social distancing.

Jon Bates and Brian Thompson will be involved in the group chats and have the ability to moderate texts. Use one of the links below to subscribe a youth for a texting group.

Prayer for "Holy God, You Are With Us" Coloring Page

Holy God,

You are with us from the spinning planets in our sky to the
 tiniest microbe that lives on the tiniest paw of the tiniest mouse.

You care for creation and you care for us.

Whether we are out in the world or tucked inside at home,
 we know that you are as close as the air we breathe.

Thank you for being our friend and comforter.

As the world struggles with the COVID-19 pandemic, our congregation strives to adjust to the rapidly changing circumstances, taking precautions to ensure that people are safe and caring for one another in faithful and creative ways. You will note that most of our church activities are being paused or reimagined. Please reach out to the church office if you are unsure of a particular activity.

Church Office Hours

We are unable to accept visitors to the church office without an appointment. You can call the church office to connect with or leave a message for staff. If you need to speak to or meet with a staff member, please call to set up an appointment.

Pastoral Care Meetings

Because many care facilities and senior apartment buildings are going into lock-down procedures, we are finding ways to check in to members via phone, email, and other methods of communication. If you desire a pastoral care meeting or call, please contact Pastor Brad or Pastor Ali.

Community Connections – Sending Notes and Cards

As we seek to stay connected, we are looking for individuals and families who would be willing to write cards to other members within the community! We especially welcome the creativity of children to draw, send craft projects, etc. If you are interested in signing up to send a card (or a few!) Please contact Lisa Koland (koland.lisa@gmail.com), call Pastor Ali at the church office, or click on the volunteer link to sign up online: <https://www.stmichaelselca.com/local.html>

Community Care – Delivery of Essential Items

If you are unable to leave your home for essential items please contact the church office. We have volunteers who are willing to provide a drop off at your residence. Please contact the church office and leave a message with details, and a staff member will get back to you.

Women's Circles

We will pause our women's circles gatherings until further notice. If advisable, we hope to continue with the June luncheon.

Confirmation Mentoring

Confirmation Mentoring has paused through the end of the program year. However, we encourage mentors to reach out to their youth by sending cards or emails to the family. Youth have been affected by the COVID-19 pandemic in unique ways and providing multiple touch-points of support for them is critical.

Confirmation Classes

We are pausing Confirmation classes until further notice. Parents should look for regular emails from Pastor Ali with resources and tools for continuing confirmation conversations at home. Parents should also follow closely to CYF Newsletters and communications to learn other ways we are supporting our youth during this time.

Despite the pause in programming, we anticipate that current 9th grade students will continue to be confirmed in October as 10th graders.

Next month, incoming 7th-9th grade families will be receiving information and registration for the 2020-2021 Confirmation Program.

Social Ministry Outreach

The COVID-19 pandemic has caused our community partners immense stress and a lack of resources to continue their work. Many of our current volunteers are within a higher risk demographic for COVID-19 so we are hoping to welcome some new volunteers to these ministries!

As you are looking for ways to care for the community during this time, please consider the following needs this month:

Food Mobile Distribution – Tuesday, April 14th 2:30 p.m. – 5:00 p.m.

Keystone Food Shelf is committed to feeding our neighbors during this time. They are continuing food mobile distribution with emergency protocols, meaning guests cannot enter the food truck. A Keystone member will retrieve groceries for them as they wait in the church.

Volunteers are needed to welcome guests and maintain order during distribution.

Volunteers should be healthy, wash hands regularly, and wear gloves during distribution.

Sandwich Making for Union Gospel Mission – Sunday, April 26th 10:00 a.m.

Union Gospel Mission is still in need of food donations at this time.

We will allow a total of 9 volunteers to sign up to make sandwiches at church. We will practice physical distancing, proper hand washing, and glove wearing. This is a great activity for families and folks of all ages!

Panera Evening Pick Up – Daily

Pick up donated bread and pastries from the Rosedale Panera at 7:00 p.m. and deliver to church (Sunday, Tuesday, Wednesday) or one of our community partners (Thursday, Friday)

This involves minimal interaction with others and is great for anyone with a drivers license looking to get out of the house for an errand!

Panera Morning Packaging and Delivery- Daily

On Mondays, Tuesdays, Wednesdays, and Thursdays, this small group of people meet to package the bread dropped off at church and one person delivers it to the food shelf once the packaging is completed.

Bread packaging volunteers practice food safety by washing hands regularly, wearing gloves, and will now practice physical distancing during packing. If volunteers are feeling sick they should stay home.

Lutheran Social Service Life Haven shelter for teen mothers and their children

Delivery of fresh groceries, hygiene products, and entertainment for children and teens.

Contact Rosie Blanc at Rosie.Blanc@lssmn.org if you'd like to make a donation drop off to the St. Paul shelter.

School District Meal Delivery

The Roseville School District is in need of healthy volunteers to help deliver free meals to children and families. For more information on how to get involved, please contact Pastor Ali.

Rezek House Welcome Home Shower

Many thanks for all of the donations for the Rezek House Welcome Home Shower!

Send Us Your Selfies!

We miss seeing you at church, and we bet you miss seeing your community too! You are invited to send us a picture of you and your family with a *brief* greeting for the rest of the church. (Think of this as an opportunity to pass the peace!) During online worship in the coming weeks, we will share the pictures and messages from individuals and families. Send your pictures and messages to Pastor Brad (brad@stmichaelselca.com)

Note: By sharing your pictures with us, you are giving us permission to use these pictures during our online worship made visible on YouTube, Facebook, and the church website.

St. Michael's Is Going Green: Organics Recycling

After much informal discussion, a sub group of the St. Michael's Green Team recently met to outline an organics recycling collection initiative at St. Michaels. No date has been set for implementation, but it is hoped that it can be up and running this Spring.

Along with recycling and backyard composting by many area residents, organics recycling has become another important way to reduce our trash. Local collection sites in our area include Mounds View, Midway, Arden Hills and Roseville. It is more convenient than ever to put our food scraps to work building soil rather than sending them to our overburdened landfills.

Should you have an interest in being part of this educational and collection effort please contact Thor Wagstrom, Dennis Skovsted, Doug Schumacher, or any other member of the Green Team.

Go Green

If you prefer to read your upcoming issues of St. Michael's monthly *Messenger* newsletter on our church website instead of having a paper copy mailed to you, please notify the church office. Another option is to receive the Messenger via e-mail. Just let the church office know your preference.

April Ministry Highlight

"...I came that they may have life, and have it abundantly." John 10:10b

Given our ministry theme this month and the current COVID-19 pandemic, we are highlighting important personal health tips and reminders.

WASH

Slow the spread of COVID-19 by washing your hands regularly and thoroughly:

- Wet your hands with clean, running water. Turn off the tap, and apply soap.
- Lather your hands by rubbing them together with the soap. Lather the backs of your hands, between your fingers, and under your nails.
- Scrub your hands for at least 20 seconds. Need a timer? Pray the Lord's Prayer while you wash!
- Rinse your hands well under clean, running water.
- Dry your hands using a clean towel or air dry them.

WORSHIP

Because of the recommendation to suspend large group gatherings, worship has moved online. We will communicate changes to this plan as the CDC and Minnesota Health Department provides updates.

Until we are able to gather in person, please join us for online worship by heading to the St. Michael's homepage on Sundays, where you will find a link for the most recent online worship. We hope you use the Prayer at Home Devotional provided in this month's messenger, the Pandemic Hope Devotional available online, and the various devotional reflects shared with each week's worship service.

VOLUNTEER

While most of our church activities are paused until further notice, some of our ministries are essential for community health and wellness. Alongside our community partners, we are re-imagining what it means to serve the community during a pandemic.

If you fall within the higher risk demographic (older adult, immunocompromised, or ill) we recommend you pause volunteer activities. For those who feel healthy and are able, we invite you to consider the following activities to serve our most vulnerable neighbors:

Panera Bread Pick Up, Packaging and Delivery: Every evening bread from the Rosedale Panera Bakery is rescued and delivered to church. In the morning it is packaged and delivered to Keystone Food Shelf on Rice Street.

Food Distribution: Volunteers are needed to help host the mobile food shelf at church the second Tuesday of each month from 2-5pm.

All Church Dinner & Committee Night – May 12th

On May 12th we will tentatively be hosting our next All Committee/Community Night! All are welcome to the community meal where the church leadership will provide an update on congregational happenings and events.

After the meal, committees and teams will meet break out to work on their ministry.

Council will meet at 8:15 pm after committees and teams have wrapped up.

Free childcare from 6:30-8:00 will be provided - simply let Jon Bates

(youth@stmichaelselca.com) know if you anticipate needing childcare.

All Committee/Community Nights Schedule

6:00 pm - 6:45 pm Dinner in the Fellowship Hall (Free will donation)

6:45 pm - 8:00 pm Committees and teams meet throughout the building

8:15 pm - 9:00 pm Council

Inclusion Language Survey: Two minutes. Four questions.

Worship is an important part of our life together as Christians in the Evangelical Lutheran Church in America (ELCA). The words we speak and images we use shape our faith, our imaginations, and our communities. Two years ago, Pastors Brad and Ali were invited into a group of congregations and leaders to develop a new worship service with expansive language for God, humanity, and creation. We invite your participation.

Please help us by spending two minutes answering four questions! Please complete your survey as soon as possible. As you're probably cooped up at home, here is one small thing that can occupy a few minutes.

St. Michael's Progressive Dinner: Postponed

The St. Michael's Progressive Dinner was scheduled for Saturday, May 9th. We will be postponing until later this summer. Stay tuned for more information in the *May Messenger* newsletter.

2020 Budget Overview from the Finance Committee

	YTD Actual as of 2/29/20	YTD Budget as of 2/29/20	Annual Approved Budget
Income	\$ 199,347	\$ 165,494	\$ 814,918
Expenses	\$ 127,197	\$ 134,513	\$ 814,918
Net Balance	\$ 72,150	\$ 30,981	\$ 0

¹ At the Annual Meeting on January 26, 2020, the congregation approved use of reserve funds of \$48,910, if needed to meet the budget at the end of the year. This is included in the Annual Approved Budget of \$814,918.

Stewardship – Did you know?

Did you know that if you are 70 ½ or older, you can give a gift directly from your IRA to support the ministry of St. Michael's?! While you will not receive an income-tax deduction, you will not pay taxes on any distributions made to St. Michael's. A gift from your IRA also reduces your taxable income, which could help reduce your Medicare premiums and the amount of Social Security benefits that are taxable.

April Calendar

Please check the church's website for the most current calendar information. Thank you.

P.E.O. Fundraiser

On Saturday morning,, April 25 the P.E.O. Chapter DM has reserved the Courtyard Room for a fundraising event. The P.E.O. Totes for Tuition Sale will feature locally handmade totes, purses, bags of many size and colors—all available for sale. You are invited to come enjoy refreshments, see if there is a tote or bag that you might want to purchase, learn more about PEO, or just come out of curiosity.

The PEO Sisterhood, with chapters in the US and Canada, is a not-for-profit organization that has helped more than 109,000 women in its 150-year history, pursuing educational goals by providing almost \$348 million in educational assistance. Four members of St. Michael's are members of this PEO Chapter.

Watch the church calendar for updated information as to whether or not this event is re-scheduled.
